Description

In the very popular Frari area, this solution is perfect for those who love the Venetian style and atmosphere. Located on the second floor of a nice building with few units and common parts in excellent condition, the property offers nice Venetian features such as high ceilings with typical exposed beams and Venetian terrazzo floors. This nice apartment is composed very rationally of entrance, dining room with kitchenette, living room, double bedroom and bathroom with window. Given the very sought after location and convenience, the apartment can be used as a cozy pied-a-terre or profitable real estate investment.
