Description

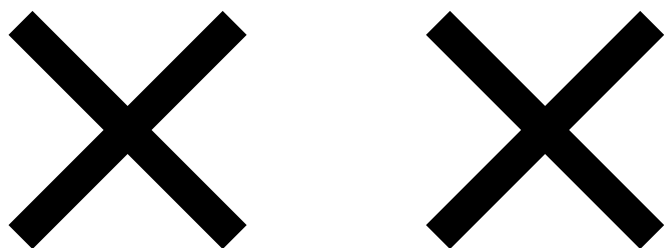

In a charming nineteenth-century building that has been completely restored, a 190 sqm flat with lift.

The property is on two levels, on the third floor a large entrance hall, kitchenette, living room with access to a habitable terrace and with a wide open view of the bell tower and the church of the Greeks and with a glimpse of the bell tower of San Marco, a service bathroom. On the fourth floor there is a very bright sleeping area with two bedrooms, a wardrobe room, a bathroom, and two service rooms.

The property has independent heating and air conditioning.

Asking €1,800,000.00
